## **City of Deltona Broadcasts 30 Minute Special Program About the Zika Virus**

**September 7, 2016**—The City of Deltona has begun to broadcast a 30 minute special TV program, about the current issues with the zika virus in Florida. The TV program, “Zika in central Florida” was produced by DeltonaTV, and includes interviews with experts from the Florida Department of Health and Volusia County Mosquito Control. The TV program airs several times each day on DeltonaTV, and will be scheduled for broadcast through the next month. “Zika in central Florida” is also available to be viewed on the DeltonaTV’s Video On Demand. It can be found on the DeltonaTV Programs page, and click on the “Heartbeats... Today’s Health” icon.

Information in the program details the how the disease can be spread, as well as what are the realistic health risks for both men and women. Additionally, Volusia County Mosquito Control provides information about the mosquitoes’ feeding habits and where they are found.

DeltonaTV can be seen on Bright House Networks Ch. 491, ATT Uverse Ch. 99, and live streaming at [www.deltonafl.gov](http://www.deltonafl.gov). on computers and wireless devices like cell phones and tablets. The programming schedule can be found on the same website, on the DeltonaTV page from the Departments drop-down menu.
